

YOUNG AUTHOR COMPETITION 2024

with Inkhart Publishing

STORY RESOURCES

Receive story templates, ideas and building resources adaptable to the theme of your choice, so that this competition can work alongside your planned curriculum.

A PERSONAL MENTOR

Invite Cheryl Hart into your classroom to share your story ideas, potential conflict & resolution, as well as creative characters. Learn first hand from an author on the way creativity comes first so that technique is built with purpose.

WRITE THE STORY

Write the story at your own pace (within a 12 week timeline). Stories can be up to 500 words. Stories can be submitted written or typed. Templates will be supplied.

BOOK LAUNCH

All young authors will be published in a paper back book of short stories. Books can be pre-ordered at £9.99 to be collected at the book launch where one lucky winner will be awarded the prize for best author (prize donated by Cheryl Hart & Inkhart Publishing). £1 on every book pre-ordered will be donated back to the school.
